# AVAILITY WEB PORTAL

## TRANSACTION AVAILABILITY

Submit health care claims quickly, accurately and with fewer hassles, using the Availity Web Portal. You don't have to juggle logins for multiple websites to get information you need. Access multiple health plans through a single, secure, easy-to-use site. See the chart for coverage of popular plans in your region.

The Availity Web Portal allows providers to quickly and easily:

- File claims, check eligibility
- Review clinical history
- Process payments
- Follow-up on claims and more

Access this real-time information and get instant responses in a consistent format, regardless of the health plan.

Best of all, health care providers get this access at no cost. So go ahead and start exploring how you can use the Availity Web Portal during your patient check-in, the exam room, checkout, billing, or wherever you might benefit from easy, instant access to health plan information.

Availity's Web Portal gives you the tools you need to drive measurable and meaningful organizational improvements, and enjoy the vitality of a healthy business.

Use the secure Availity Web Portal to manage your daily interactions with multiple health plans, including those listed below, and more.\*
