

Welcome to the MnMOM 2013 Volunteer Registration

Things to know:

1. You must be at least 18 years of age to volunteer at the Minnesota Mission of Mercy.
2. All volunteers will be provided with a MnMOM t-shirt to wear. There will be disposable gowns available for clinical staff. If you volunteer for more than one day, we will provide you with an additional shirt.
3. All meals will be provided. We will be offering a healthy, nutritious breakfast, lunch and dinner each day and free beverages all day. We are sorry, but we are not able to accommodate special dietary restrictions.
4. **Each volunteer may sign up for a maximum of two shifts per day (one morning and one afternoon).** You may sign up to work one or all four days. Checking a box indicates that you will actually work the shift, not that you are willing, interested or qualified to work it. Because the registration system will allow you to sign up for unlimited shifts, be careful to not sign up for more than one morning and one afternoon shift each day. The dinners are not included as a shift.
5. If you are a dentist who is licensed in another state and wish to volunteer for the Minnesota Mission of Mercy, you will need a free temporary license. Please [click here](#) to learn more about obtaining a temporary license.
6. **If you would like to work as a team** (i.e., dentist/assistant, entire office, etc), just be sure to register for the same shifts. We do not "assign" assistants to dentists. If you are on the same shift, you can work together.
7. Each and every volunteer must register individually. One email address is allowed to register several individuals (this is for dental offices, etc.). Remember that this email address will receive multiple confirmations and other information pertaining to individuals registered.
8. You will be allowed to choose where you want to work. These preferences cannot be guaranteed but will be followed as closely as possible. Some jobs require a significant amount of standing and walking, others are more sedentary. Choose a position you would feel comfortable doing for at least 5-6 hours at a time with breaks when needed.
9. Each shift has a maximum number of spaces. Shifts will fill on a first-come, first-served basis.

10. All shifts have built-in orientation time which means the shifts will overlap. It is okay if you sign up for overlapping sessions.
11. The sooner you register, the more choices for shift times and assignments you will have.
12. All information regarding your registration (confirmation, shift summary, password and other information) will be emailed to the address provided.
13. If you must edit your registration, refer to the confirmation email to obtain your password. Do not create a duplicate registration.
14. **HOTELS:** If you will be staying overnight in Bemidji, MnMOM has secured group rates at several area hotels at various price points. Please check out the hotel page on the MnMOM website for additional information.

Please check the [MnMOM website](#) if you have general questions. If you need help registering or have specific questions, please send an email to MnMOM@mndental.org.
