Year two in the Registry:

“Create and maintain a complete Registry Profile, including current employment, education and professional development”.

California Child Care Resource & Referral

## Benefits

- Enhance your professional development
  - o Find and register for professional development opportunities
  - o Search and sign up trainings through the Training Calendar
  - o Use Registry ID on Registry Membership Card when signing into trainings
  - o Quickly and conveniently submit education and training data to ensure that the information is quickly attached to your profile

## Registry Café Tips

- Registry Cafés are usually 3 hours
- Have participants bring their mobile devices
- Typically Registry Cafés are for providers who have profiles and have some experience using the Registry
- Highlight the benefits of using the Registry for professional development
